

LADY MACBETH QUEEN OF SPADES

THE BIKE CO. "PEMBERTON TRAGEDY" SUNDAY, JULY 11TH 1:00PM

Betrayal. Deception. Death. Remorse. This one has it all. How will you feel after the Queen stage of the Queens? Perhaps you'll also need a dagger. This year we are continuing up the road to hit the great trails of Pemberton for a classic up-down-athon to crown the overall champs. And what better way to follow up a tragedy than with a celebration (complete with a J.Hine soliloquy). Watch out for the witches.
